Please check this box if you would like to add an in-person meeting with Dr. Lori for your staff. Your standard order includes online pre-program teacher training, a Skype or conference call with Dr. Lori within the first 2 weeks of the program, as well as ongoing email and phone support throughout the program. An in-person meeting with Dr. Lori is an additional \$200.00.

Thank you for your order!

Please save a copy of this completed form, then email it to drlori@howdogshelpkids.com.

What happens next?

Once we receive your completed order form, Dr. Lori will email you with a contract that lists all of the materials and explains the on-line access your teachers and students will enjoy as part of this program, as well as outlining a timeline of teacher support and program materials delivery. After you have approved and signed the contract, we will send you an invoice – and get started on this wonderful learning adventure together!
